Rachel Mitchell: I have come into the meeting late and my chat isn't showing the earlier posting about upcoming meetings and important info. Is there a way to access the full chat transcript or get them resent. Thank you. -Rachel M

00:25:49.274,00:25:52.274

Amy Huppi DHS: You can reach out to dspdinfo@utah.gov for more information on The Self-Advocate and Family Quarterly meeting on Sept. 15. You can also find information at <https://dspd.utah.gov/be-informed-and-be-involved/>. For information about Employment Preparation Services and the feedback we are looking for go to <https://dspd.utah.gov/providers/epr/>.

00:32:58.881,00:33:01.881

Jamie Johnson: I am the father of a teenage girl who has just been placed in a residential care facility. I agree with Jeanette Johnson that wages desperately need to be increased. Many of the workers at her facility work double shifts because of the lack of employees. This is a hard job and not many people can do it. They need to be compensated much better so we can fill these

positions with good qualified people.

00:37:10.252,00:37:13.252

Jamie Johnson: I agree.

00:38:27.323,00:38:30.323

Linda Smith: We are having a hard time understanding most of the people that are talking.

00:38:45.578,00:38:48.578

Linda Smith: How are you going to take questions from those on the phone?

00:39:27.308,00:39:30.308

Amy Huppi DHS: Once we have heard from those that requested ahead of time, we will open to anyone else here.

00:40:28.117,00:40:31.117

Jeanette Johnson: I appreciate the comments from the Director of CTA (I didn't catch her name). She makes a good point that long shifts and overtime leads to intense fatigue, which is scary when we are relying on them to de-escalate aggressive situations or administering medications.

00:40:30.977,00:40:33.977

Kellie Lyon: It is next to impossible to understand what people are saying.

00:41:34.718,00:41:37.718

ben ballam: @Kellie Lyon I agree

00:41:49.364,00:41:52.364

Amy Huppi DHS: I apologize for the technical difficulties. Is it cutting in and out or the voices too soft to hear?

00:41:52.748,00:41:55.748

Tad Griffin: Turn on Closed Caption CC, it helps.

00:42:16.205,00:42:19.205

Shirlee Draper: It's cutting out

00:42:48.092,00:42:51.092

Lisa Wade: It's like it is normal volume but then fades - almost as if it is another mic that is picking up the sound instead of the one in front of them.

00:43:19.768,00:43:22.768

Lisa Wade: Closed Captioning does fill in those gaps.

00:43:54.141,00:43:57.141

ben ballam: sometimes the captions are wrong though

00:52:59.067,00:53:02.067

Shirlee Draper: Is she turning her face away from the mic?

00:53:29.062,00:53:32.062

Amy Huppi DHS: If you are interested in advocating with the Utah State Legislature, we recommend contacting the Utah Parent Center at 801-272-1051 and info@utahparentcenter.org the Utah Developmental Disabilities Council at 801-245-7350 and uddc@utah.gov or the Legislative Coalition for People with Disabilities at lcpcd@utahlcpcd.org.

00:54:20.505,00:54:23.505

Jeanette Johnson: @Amy--thanks for the info!

00:54:54.756,00:54:57.756

Jamie Johnson: I agree with Tad. All the funding needs to be increased and spent on all areas, from the waiting list, to the centers themselves, to repairs, to wages. Is it possible were dealing with a human rights issue?

00:57:06.321,00:57:09.321

Tad Griffin: Yes thanks Amy, I will get involved with all three organizations you listed.

01:00:35.796,01:00:38.796

Kellie Lyon: Because we can be fully staffed, even those with funding are not being served and pulling down their budgeted hours. We would love to take on more clients, but we can pull down the hours we have.

01:01:13.195,01:01:16.195

Kellie Lyon: *can't be fully

01:03:04.747,01:03:07.747

Kellie Lyon: The legislature needs to pump more money into dspd or we can't serve these deserving people. How can we make the legislature hear us?

01:04:30.317,01:04:33.317

ben ballam: there's an acho

01:04:31.583,01:04:34.583

Cristine Rolfson: The sound is terrible! Please take online participants so we can hear.

01:04:48.498,01:04:51.498

ben ballam: *echo

01:05:23.323,01:05:26.323

ben ballam: move the computer away from the mic because it's making it echo

01:05:24.399,01:05:27.399

Anna Owen DHS: Is the echo still there?

01:05:27.559,01:05:30.559

Shirlee Draper: Please turn off the other mic and leave Amy's mic on. It's much clearer but now there is conflict between the two

01:05:31.879,01:05:34.879

Shirlee Draper: Yes still echoing

01:05:37.352,01:05:40.352

ben ballam: yeah

01:05:45.391,01:05:48.391

Linda Smith: Sorry I am now on the phone. My question is regarding the EVV. Do we have a clear understanding on how we are going to verify our employee's. We were told that we needed to do that on their devices within 15 min. How is that going to work if we are at work when we need their help. Also it clocks them out after 18 hrs. What if we need to over a weekend.

01:06:09.859,01:06:12.859

Linda Smith: I am not on the phone.

01:06:26.115,01:06:29.115

Lisa Wade: That fixed the echo. Thank you!

01:07:26.545,01:07:29.545

ben ballam: thanks

01:10:48.592,01:10:51.592

Lisa Wade: We can't hear the room anymore. Amy's laptop is the working mic.

01:10:58.997,01:11:01.997

ben ballam: @Shirlee Draper someone raised their hand

01:11:31.185,01:11:34.185

Doug Sanderson: Agree with the last speaker's comment that cases should be looked at individually if possible because unfortunately it is too often an all of nothing funding situation.

01:12:08.533,01:12:11.533

Anna Owen DHS: Linda please contact aowen@utah.gov with your contact information and we will be able to address your question

01:12:42.905,01:12:45.905

Kellie Lyon: How old is your child?

01:15:06.518,01:15:09.518

Kellie Lyon: While we are so short staffed is there a way to provide SL services to two clients at the same time instead of one on one?

01:16:38.063,01:16:41.063

Kellie Lyon: Another question or concern is how can we speed up the background process for new hires.

01:17:17.204,01:17:20.204

ben ballam: it's echoing again

01:17:33.950,01:17:36.950

ben ballam: never mind it stopped

01:18:59.905,01:19:02.905

Karen Sterling: Thank you for this information! I appreciate it.

01:30:44.465,01:30:47.465

Anna Owen DHS: Is there anyone else online that would like to speak?

01:38:55.816,01:38:58.816

Julia Pearce: thank you all for the comments. Please consider joining with others who are working as advocates on the concerns mentioned today. Thank you for listing those organizations earlier in the comments

01:54:19.227,01:54:22.227

Lisa Wade: On Oct. 26th the Utah Parent Center will be presenting a workshop on Telling Your Story and helping people craft their message for legislators and others. Watch for a flyer to come soon!

01:55:36.329,01:55:39.329

gwen armstrong: Thanks

01:55:58.115,01:56:01.115

Barbara Borschel: Thank you.
